Membership Benefits:

- Priority access to local research and results targeted to the West Midlands. Trials conducted at WMG main trial site ('Glen Ruff' Cnr North West & Moora Dandaragan Rd, Moora), long-term site at the Badgingarra Research Station, and on-farm 'supplementary' trial and demonstration sites.
- Opportunity to host 'supplementary' trial sites on your farm. This gives you first access to new and cutting edge ways to improve productivity and profitability on your farm.
- Opportunity to identify R&D priorities most relevant to your farm business.
- 'Over the fence' benefits- opportunity to interact and network with a group of progressive and dynamic people who share your aims of: increasing profitability; improving farm production and quality; and ensuring the financial and environmental sustainability of the West Midlands region.
- Networking and access opportunities with WMG industry and research partners.
- Substantially discounted entry to WMG events (for up to three people from your farming business) including: Seasonal Updates; in-season field walks and bus tour; Spring Field Day; Women's Wellbeing and Wine Forum; and more.
- Access to high quality training and extension workshops targeted to your needs.
- Copy of WMG trial results publication, 'WMG Research Annual'.
- Copy of field day booklets.
- Improved opportunity to obtain R&D and NRM funding and assistance in developing funding applications for your farm business.
- Quarterly e-newsletter and e-updates.
- Copy of WMG annual report.
- Opportunity to contribute and drive the future of farming in your region.

Annual fee: \$275 (inclusive of GST)
